The screenshot shows the 'GE Supplier' web interface. On the left is a dark blue navigation sidebar with the following menu items: Home, Invoices, Purchase Orders (highlighted with a checkmark), Customers, Reports, and Early payment. The main content area is titled 'Purchase orders (POs)' and includes a sub-header 'Review your purchase orders(POs)'. Below this is a 'Criteria' section with the following fields: 'Customer' (a dropdown menu showing 'General Electric Renovables Espana, S.L. - AAA776752073'), 'PO number' (an empty text input field), 'Status' (a dropdown menu showing 'Please select' with a link to 'PO status definitions'), 'PO conversion status' (a dropdown menu showing 'All'), 'Select PO date range' (a dropdown menu showing 'Custom'), and 'PO date from' and 'To' (two date input fields with calendar icons, showing '07/02/2017' and '07/02/2020' respectively). At the bottom of the criteria section is a green button labeled 'GET MY POs'.

4. You can now select the PO which you wish to convert into a purchase order, by clicking on the blue circle with white cross
